Situated within Marbella Easts best private urbanisation and only 2 minutes drive from the beach, bathed in Spanish sun and cooled by the breeze of leafy palms, sits a stylish retreat of the Scandinavian persuasion. Newly renovated and entirely modern, is a villa of dual nationalities. Both invitingly Spanish and elegantly Scandinavian, this is a home that balances the warmth of its location with the sophistication of its contemporary design: ultra-modern interiors that overlook sweeping Mediterranean views, clean lines to complement exotic gardens, and pops of fuchsia and turquoise to balance simple whites and greys. And yet, what this stunning villa balances even better than its twin nationalities, are its versatile spaces: at 900 square metres (9,690 square feet), this sprawling villa strikes the ideal harmony of indoor and outdoor respite, family living and quiet nooks, entertainment spaces and quiet retreats. Striking modern home built for modern needs and contemporary sensibilities.7 stylish bedrooms, sleeps 14+2, all with en-suite bathrooms Modern design with original works of art from Scandinavia Pamper yourself in your own Spa with hot tub,
